Dell XPS 15 9560 4K GTX1050 i7 7700HQ - \$850 (Riverside)

image 11 of 20

Hi I have for sale this Dell XPS 15 laptop.

It has 16GB DDR4 Memory an i7 7700HQ, GTX 1050 graphics, 256 SSD,4K screen, and backlight keyboard.

It comes with a brand new original Dell 130W charger.

This laptop is very packs a lot of power for its size.

The laptop has been wiped clean and had Windows 10 professionally installed, along with MS Office 2016.

If interested call or text. Text Preferred. Price is Firm. Will meet up with you at Starbucks prior to purchase for you to check it out.
